

SME PAVILION

Join us at the SME Pavilion, a platform exclusively designed for Malaysian stakeholders of small and medium-sized enterprises (SMEs) within the oil, gas, and petrochemicals industry.

This special pavilion provides an unique opportunity for SMEs from MOGSC members to showcase their latest innovations and solutions locally developed to local and international audiences present at OGA 2023. The SME Pavilion promises to be a valuable platform for SMEs to gain exposure, explore new business opportunities, and connect with potential customers. Come and be a part of this highly anticipated event and witness the best of Malaysian SMEs in the industry.
