“This initiative is not just about technology - it is about ensuring that the benefits of clean energy are shared by all, especially the local communities that have long supported the state’s industrial base.”

Dato’ Tun Ahmad Faisal bin Tun Abdul Razak
Chairman, East Coast Energy (ECE) 2025

Marking a pivotal milestone in Malaysia’s energy evolution, the inaugural East Coast Energy (ECE) 2025 was officially unveiled at a press conference, joined by key stakeholders – the Host, Terengganu State Government; Strategic Partner, Terengganu Inc; and Knowledge Partner, PETRONAS.

Set for June in Terengganu, ECE 2025 is poised to accelerate energy growth across Malaysia’s East Coast. Focused on innovation, collaboration, and sustainability, it unites national leaders, regional authorities, and global players to explore investment opportunities and future-ready solutions
